

RAND Postdoctoral Training Program in the Study of Aging

Fellowship Application

Dear applicant: Please complete and submit this form as part of your application. In addition, the following material will be required:

1. Current curriculum vitae. (*The CV should include information on educational and professional employment experience and should list all publications, papers, and presentations to professional societies.*)
2. Two letters of recommendation (which may be sent under separate cover)
3. A sample of your written work (please do not exceed 30 pages)
4. Statement of research goals for postdoctoral training. (*This statement of research goals should be a well thought-out research proposal **3-5 pages** in length [and not to exceed 7 pages]. It should include a description of the problem and a discussion of its substantive importance, hypotheses to be tested, a description of possible data sets, and statistical methods.*)

Please submit all these supporting materials to the address below:
